FLT TEST 2 QUESTION 3

3. Examine the socio-economic impact of British land revenue settlements like Permanent Settlement, Ryotwari, and Mahalwari systems.

Socio-economic Impact of British Land Revenue Settlements:

The British introduced the Permanent Settlement, Ryotwari, and Mahalwari systems to maximize revenue collection, profoundly affecting Indian society and economy by reshaping agrarian structures.

- **Permanent Settlement (1793):**

- **Socio-economic Impact:** Created a class of absentee landlords (zamindars) who prioritized revenue collection over agricultural welfare. Peasants faced exploitation and increasing indebtedness, leading to a cycle of poverty.
- **Economic Impact:** Agricultural stagnation occurred as peasants lacked incentives for productivity, and zamindars often defaulted on payments, resulting in land seizures.

FLT TEST 7 QUESTION 1

Q1. Discuss the role of Jainism and Buddhism in shaping India's religious philosophy and art forms during the 6th–4th centuries BCE.

Introduction

The 6th–4th centuries BCE were pivotal in India's religious and philosophical history, with Jainism and Buddhism emerging as major forces that redefined spiritual thought and artistic expression. Both traditions, founded by Mahavira and Siddhartha Gautama (Buddha) respectively, rejected Brahmanical practices, advocating for personal spiritual growth and ethical living.

Philosophical Contributions

1. **Jainism:** Founded by Mahavira, Jainism emphasized **ahimsa** (non-violence), **anekantavada** (non-absolutism), and **aparigraha** (non-possessiveness). It advocated self-discipline and asceticism to attain liberation. Jainism rejected the caste system, promoting equality and a direct relationship with the divine.
2. **Buddhism:** Founded by the Buddha, Buddhism focused on the **Four Noble Truths** and the **Eightfold Path** to overcome suffering (dukkha) and attain nirvana. Buddhism encouraged compassion, ethical conduct, and the middle path, rejecting ritualistic practices and the caste system.

FLT TEST 7 QUESTION NO 2

Q2. How did the Bhakti and Sufi movements bring about social cohesion and vernacular growth in medieval India?

The **Bhakti and Sufi movements** played a transformative role in medieval India by fostering **social cohesion** and promoting **vernacular growth**. These movements emerged as powerful socio-religious forces that transcended caste, class, and religious barriers, creating a more inclusive society while enriching regional languages.

1. Promoting Social Cohesion

- **Breaking Caste Barriers:** The Bhakti saints (e.g., Kabir, Ravidas, Chaitanya) rejected Brahmanical dominance and preached equality, attracting lower castes and marginalized groups.
- **Unity in Diversity:** Sufi saints (e.g., Nizamuddin Auliya, Moinuddin Chishti) emphasized love and devotion, fostering Hindu-Muslim harmony through shared spiritual practices like qawwalis and Sufi poetry.
- **Challenging Orthodoxy:** Both movements criticized ritualistic practices, focusing instead on personal devotion (bhakti) and divine love (ishq), reducing religious tensions.
